

International Scholarships for Nursing Students

Thanks to the generosity of the Alumni Council, and an International Endowment, the International Committee of the School of Nursing will be awarding scholarships to graduate and undergraduate students who will be undertaking academic programs another country. This can be a university-sponsored program, or an academic program sponsored through another university. Priority will be given to students whose program is part of the required curriculum and who are eligible for financial aid.

Please return the below by April 1 to OASS Room 1010.

Please attach two (2) short essays:

- I. Describe what you will bring to this experience and what you hope to achieve while abroad.

- II. Why are you applying for support and how much support is requested (tuition, travel, etc).

- III. Please list other support you have already received or may be receiving for your International Program.
