

With the loyal support of alumni, parents and friends, the School of Nursing was able to raise over \$500,000 for the second year in a row. These unrestricted funds impact every area of the School, helping students, faculty and staff further our mission.

### Nursing Annual Fund Impact

- 63% Student Scholarships & Programs
- 19% Faculty Support
- 7% Staff Support & Programs
- 6% Simulation Lab Upgrades
- 5% Research Awards

*“Because of the generosity of the School of Nursing donors, I was able to go on one of the most meaningful trips of my life. My study abroad trip to Bluefields, Nicaragua broadened my perspective of what it means to be a nurse who truly responds to the needs of a community, and it would not have been possible without a scholarship.”*
