*Each SON course is identified by a 4-digit academic credit nomenclature: the first digit denotes the classroom hours, the second digit denotes the lab hours, the third digit denotes the clinical hours (1 credit = 56 hours), and the fourth digit denotes the total credits earned.

This is the current plan of study, subject to change. All students are required to enter the individualized plan into the SIS planner and review with the academic advisor in order to enroll. Changes to the plan must be pre-approved by the advisor and the Senior Assistant Dean for Academic and Student Services. Enrollment in a course outside of the plan is not guaranteed.
